

# Basic Critical Care Course

**Register by:  
November 7th**

**Speaker: Brad Reeder, RN, MSN, ACNP-BC**

## Description

Are you new to critical care nursing or do you just need a refresher? The Basic Critical Care Course will review assessment techniques for each of the body systems, major disorders for these body systems and treatment interventions. By the completion of this program, the participant will be able to perform an advanced patient assessment on a critical care patient.

## Credits Applied

SCNA
